COMPOSITE OVERLAY

The Look of Wood Without the Upkeep

For homeowners who want the look of wood without the upkeep, composite overlay doors are an excellent choice. Our faux-wood doors are constructed with an insulated steel base door for strength and durability and topped with a moisture-resistant composite overlay molded from natural wood boards. This gives the doors their realistic grain patterns and textures while keeping them low-maintenance. Like wood, the doors can be painted, and in most instances, stained, for a look that is distinctly yours.

CANYON RIDGE® Carriage House

5-LAYER CONSTRUCTION

Canyon Ridge® Carriage House 5-Layer garage doors capture the charm of old-world carriage style doors in a durable, moisture-resistant construction. Composite overlays give you a low-maintenance wood alternative that looks and feels like the real thing, and the peace of mind that comes from having a superior insulated steel core construction. Choose from three species: Clear Cypress, Pecky Cypress or Mahogany, and a variety of paint and stain colors to create a custom look. The result is a stunning carriage house door you will enjoy for years to come.

versatile COASTAL CHARM

CANYON RIDGE® Louver

If you use more than one adjective to describe your home's style, we have the perfect transitional garage door for you. Versatile and unique, plantation style Canyon Ridge® Louver doors are a perfect complement to coastal cottages and colonial homes. They can also be a standout piece on traditional exteriors or modern farmhouses. Whatever your style, these doors add "wow" factor to your home. As with all Canyon Ridge doors, they are constructed with a durable, insulated steel core topped with horizontal faux-wood composite "slats". The result is a low-maintenance door with dimension and flair.

4-LAYER CONSTRUCTION

Another beautiful, low-maintenance alternative to real wood is the Canyon Ridge® Carriage House 4-Layer faux-wood garage door. Similar in style and construction to its 5-Layer counterpart, it also has an energy-efficient Intellicore® polyurethane insulated steel core topped with Clear Cypress composite overlays to create a carriage house design. The 4-Layer door has fully visible steel panels that can be finished in Ultra-Grain® for a stained wood-look or painted a solid color to match your home.

CANYON RIDGE® Modern

Statement-making and sophisticated, our Canyon Ridge® Modern faux-wood garage doors combine realistic wood textures with key elements of contemporary architecture: clean, horizontal lines with mid-century appeal, sleek windows and metallic accents. The doors are constructed in a durable, low-maintenance composite material that resists rot and weathering. An energy-efficient, polyurethane foam insulated steel core provides year-round comfort. Choose from three designs in Clear Cypress or Mahogany faux-wood cladding that can be painted or stained.

DESIGN CONSIDERATIONS

- Two-tone color options available. To view all options, visit: dis.clopay.com.
- Custom designs available. See your Clopay Dealer for more information.
- Attractive beveled edge, clip-in window grilles are removable for easy cleaning.
- Replaceable vinyl bottom weatherseal in a corrosion-resistant retainer helps seal out the elements.
- 10-ball nylon rollers for quiet operation.
- Heavy-duty 14 gauge steel hinges for long-lasting performance.
- Clopay's Safe-T-Bracket® prevents serious injury that could occur if the bottom bracket were removed with the garage door closed and under tension.
- WindCode® built-in door reinforcement available for high wind load applications. Learn more at: www.clopaydoor.com/residential/windcode-residential-information.
- Canyon Ridge® garage doors are not applicable for new construction in California areas designated as "Fire Hazard Severity Zones".

FINISHING AND CARE

Proper care and maintenance are imperative for long-term performance and appearance of Canyon Ridge® garage doors. Periodic inspection and maintenance of the composite cladding and overlays are required. Minor expansion and contraction is normal for exterior building materials exposed to direct sunlight and is not considered a defect. Complete finishing and maintenance instructions are provided with the door and are also available from your Clopay Dealer or online at www.clopaydoor.com.

ENVIRONMENTAL ASSURANCE

Clopay doors are compliant with environmental laws and regulations and do not contain HFCs.

- California SB 1013
- New Jersey A-5583/S-3919 – Greenhouse Gas Bill
- Washington HB 1112 – Hydrofluorocarbon Greenhouse Gas Emissions
- Canadian regulations amending the ozone-depleting substances and halocarbon alternatives regulations
- Product complies with 2015 IECC air infiltration requirement of 0.40 cfm/ft² or less (IECC, Section C402.5.2)

Visit [clopaydoor.com](https://www.clopaydoor.com) or call 1-800-2CLOPAY (225-6729) for more information on Clopay, America's Favorite Garage Doors.
